Dean Alvey Announces Cut System Revision

Dr. Conway Zirkle Comes To Campus

Botanist Lectures On Russian Science

Dr. Conway Zirkle, distinguished botanist, will be the first of a number of scholars to appear on the Mary Washington campus sponsored by the Richmond Area University Center. He will speak in Monroe Auditorium, Thursday, October 17, 7:30 p.m., on "Academic Freedom and Science in Russia."

Born in Virginia, he received his bachelor's and master's degrees at the University of Virginia. He later studied in London and Geneva and was awarded his doctorate by Johns Hopkins University in 1925. From then until 1930 he was research fellow and research associate at Harvard University. Since 1930 he has been a member of the University of Pennsylvania faculty.

Next Lecture

The next Richmond lecture will be: Dr. Edward Hubler of Princeton who will speak on the Browning room of E. Lee Trinkle Library on October 29 at 2:00 on "The Tragic World of Eugene O'Neill."

Second Annual Showing Of Art Exhibit Opens

The Second Annual Exhibition of Contemporary Art will begin Friday, November 1, with an informal reception and preview for art majors, faculty, and staff members from 8 to 10 P.M. in DuPont Hall. The Exhibition will be open to students and to the public from Saturday, November 2, to Wednesday, November 27. Hours will be Mondays through Saturdays 9 to 5 and Sundays 2 to 5 in the DuPont galleries.

Approximately 50 paintings were chosen early in September by Dr. Grellet C. Simpson, Mr. Julian Binford, MWC art professor now on leave; and visiting art professor, Eric Isenburger, an exhibitor in the show last year.

All paintings on exhibit will be offered for sale, with at least two of them to be chosen for the permanent collection of the college by the Jury of Awards Committee. The purchase of one of these paintings has been made possible by a gift of \$500 to the college from the Class of 1957.

Bullet Publishes Special News Bulletin Saturday

The Bulletin will publish a special bulletin on Saturday, October 12, in order to acquaint the faculty and student body with news which will be released too late for inclusion in the regular newspaper.

The material for the special one-page supplement comes from the office of the Chancellor, and regarding decisions to be made at the Board of Visitors meeting tomorrow morning.

Leavelle Billingsley

Town Girl Chosen For Leading Part In Williams' Play

Mary Washington Players have announced the cast for their first production of the 1957-1958 season, "A Streetcar Named Desire." The cast includes Leavelle Billingsley as Blanche, Sandy Quailes as Stella, Bernard Cockrell as Stanley, and Bob Ritchie as Mitch. Other members of the cast include Martha Manning, Ginger Nettles, Betty Hames and Nancy Shultz. Understudy is Camille Mereman.

"A Streetcar Named Desire" is to be presented October 24, 25, and 26, under the direction of Mr. Mark Sumner. The box office will be open every day beginning October 21, for those who wish to purchase either Season or Single admission tickets. Season tickets are \$3, and single admission is \$1.

The Crew-Heads for this production have also been selected and are as follows: Stage manager, Pat Ellis; lights, Carolyn Tibbetts; scenery, Joyce Panciera; publicity, Martha Huffman; costumes, Robbie Beamer; props, Liz Garland; sound, Ginger Nettles; make-up, Stevie Coover; tickets, Glen Geddings; programs, Jeannine Raymond; business manager, Lou Miller; house manager, Pat McGee; and prompter, Tempe Thomas.

Y Sponsors New Student Service

The Lost and Found service will be sponsored by the YWCA this year and will be located in the foyer of the "Y" room on the fourth floor of Ann Carter Lee.

There will be a "Y" representative on duty Tuesdays and Thursdays from 3:00-5:00 p.m. There is a service fee of 10c to be paid for each claimed article.

Students may drop found articles in the box at anytime. However, if a student finds a valuable piece of jewelry (watches, rings, etc.) she may turn it in to any member of "Y" cabinet in lieu of dropping it in the box.

A student finding any article with positive identification (such as a wallet) is asked to turn it in to the dormitory of the girl to whom it belongs, rather than to the Lost and Found.

Students are reminded that the Lost and Found service sponsored by "Y" is the only one on campus and consequently the box in Lee is the only place to return or claim articles.

Concert Announced

Szegitt, the world famous violinist, will give the first concert program at Mary Washington this year. Dr. E. Boyd Graves of the Public Occasions Committee has announced that the artist will appear on December 2 in George Washington Hall for the semesters' first semi-formal Lyceum.

Three Conferences Planned For MWC

Three educational conferences will be held at M.W.C. in the near future. Approximately 800 teachers from District A of the Virginia Education Association will meet in George Washington Hall on Friday, October 11. Dr. Reginald W. Whidden, the regional president, announced that the meeting will be held prior to the state convention of the Virginia Education Association in Richmond.

Others Scheduled

The Virginia Philosophical Association and the College English Association will also hold their annual meetings at Mary Washington in the near future.

E. Boyd Graves, professor in the philosophy department at Mary Washington, will act as Secretary-Treasurer of the Virginia Philosophical Association on October 24-25.

On the 24th, Chancellor Simpson will give the welcome to the Association and Professor Stephen R. Barker of the University of Virginia will present a program. Dr. Kurt Leidecker of Mary Washington will speak on "The Sources of Moral Obligation in Buddhism."

English Meeting

Reginald W. Whidden, Assistant Dean of Mary Washington, will preside at the morning session of the English meeting scheduled for Saturday, October 26. This session will take place at the Little Theater of DuPont Hall.

During the luncheon session, Harry R. Warfel, of the University of Florida will speak on "Grammar Not Vocabulary Makes Literature." Speakers at the afternoon session include F. E. Bowman of Duke University, Mildred D. Davis, Longwood College, and John C. Coleman, of the University of Virginia.

NEW SYSTEM CHANGES GO INTO EFFECT WITH SECOND SEMESTER

Dean Edward Alvey, Jr. has announced the following changes in the Mary Washington cut system for second semester 1958. These changes are the result of recommendations from a faculty committee, faculty approval, and administration revision.

Alum Board Meets To Plan For 57-58

The fall meeting of the Alumnae Board of Directors will be held Friday, October 11, and Saturday, October 12. Fourteen members of the Board of Directors are expected to attend the meeting.

On Friday, at 8 P.M., the executive committee will meet in the alumnae office. Those attending will be: Mrs. Margaret L. Copes, president; Mrs. Jane H. Major, vice president; Miss Doris V. Steele, secretary; Mrs. Susan Jurgens, treasurer; Miss Mary Rita O'Rourke, historian; Mrs. Mary Annette Kelly, faculty adviser; Miss Emma Tinken, secretary. The business meeting will be held on Saturday morning at 10 A.M., in Lounge A of Ann Carter Lee Hall.

On Saturday evening, a dinner will be given, at which the campus leaders will speak about the various organizations which they represent. They will explain the function of their organization and will also give an idea of the program for the coming year. Through these speeches the alumni will get a clearer idea of the different clubs that are present at Mary Washington College. They will also plan for the coming year.

"For freshmen, sophomores, juniors, and all transfer students, the number of class cuts in each course is equal to the number of Class meetings per week." This means if a student has a physical education course three times a week she has three cuts in it; if she has a Tuesday-Thursday afternoon course, she has two cuts in that course.

"Second semester freshmen, and sophomores and juniors, who have a 'B' (2.0) average for the preceding regular semester have the privilege of maximum absences.

"For seniors who have less than a 'C' (-) (1.5) average for the preceding regular semester, the number of class cuts in each course is equal to the number of class meetings per week.

"Seniors who have a 'C' (-) average for the preceding regular semester have the privilege of maximum absences.

Maximums

"Maximum absences are allowed only to students who have attained the required average during the preceding regular semester for at least 14 credit hours of work. Maximum absences are calculated on the basis of four absences for each class meeting per week. Students who are absent in excess of that maximum do not receive credit for the course." An exception may be made for seniors needing only twelve credits a semester for graduation.

Dean Alvey also emphasized: "It is the students' responsibility to secure from the registrar's office full and accurate information in regard to their regular class standing and the number of cuts to which they are entitled."

He went on to say, "Students whose class attendance is unnecessarily irregular and who cut classes excessively beyond the number of absences allowed may be requested to withdraw from the college."

EPAULET STAFF PLANS NEW LOOK . . . Members of the Epaulet staff pause during a planning session for the first issue scheduled for publication during the week of October 28. Staff members include (l-r) Harriet Hanson, business manager; Mike Bergman, June Kyzor (seated), editor; Amelia Kite, co-art editor; Marge Perseghian, circulation editor; Carlotta Muse, literary editor, and Jean Miller, co-art editor. The editor also announced that the make-up and cover design will undergo a drastic change for the 1957-58 issues. The magazine's contents will be characterized by "stimulating features on art, drama, books, and music as well as by the best in student creative writing," the publication head said.

ALL UNSIGNED EDITORIALS ARE WRITTEN BY THE EDITOR

Books, Books, Books!

The attention of the *Bullet* editorial staff has been drawn to the pressing college need for improved book service in several areas of campus life. Our suggestions in two particular fields, which will be presented during the next few issues, stem from ideas given by members of the student body, faculty, and administration. Further suggestions on the subject are welcomed, and prompt action from interested groups is urged.

An area of prime importance which has long been neglected on this campus is supplying student and faculty demands for paperback volumes on the bookstore shelves. The current supply is both uninteresting and limited; space provided for paper-bound books is almost nil. At present, the "bookstore" serves the campus as a combination drug-stationery store; the only books seen are the sparkling new and highly priced textbooks which appear in September and February.

It would, perhaps, be unfair to ask the present bookstore staff to provide an increased stock of paperbacks; however, if two organizations (perhaps a student honorary and a faculty organization such as A.A.U.P.) were to sponsor such a venture, excellent, inexpensive books could be procured for the entire college community. We believe that space could be made in the bookstore for such an enterprise, as there is much valuable room not utilized at present. Even if another part of Ann Carter Lee were used for that purpose, it would no doubt be possible for between two to four hundred really good books to be readily available to the reading public.

This service would not only be valuable to students and faculty who are presently forced to go to Washington or Richmond for decent reprints, but it would at the same time be a civic service to Fredericksburg residents, who would also be able to buy interesting, low-priced volumes.

"Literature in miniature" belongs on the college campus; there is no reason why a fairly good choice of inexpensive books could not be offered to campus groups if college co-operation is forthcoming.

(Next issue—"Student Book Exchange")

Common Sense and Cuts

Common sense is a practical virtue which adults, particularly parents, are hesitant to ascribe to college students. Perhaps with good reason—at times we become so involved with school courses and activities or dates and party weekends that we seem to lack that down to earth quality which is so widely commended. Yet with a class cut system that necessitates responsible action affecting academic matters, good sense assumes a position of utmost importance.

Responsibility resulting from greater freedom in any area of college life has been preached often enough from this editorial page; we have no desire to repeat ourselves now. We do wish to point out, however, that when class attendance becomes a matter of individual discretion, as it has been made with this revision, the individual must have discretion.

When a decision must be made about the relative value of a weekend at U. of Va., or staying at school for Saturday classes, a student must exercise her own good sense. There will be times when she can go with a clear conscience; there will more frequently be occasions when the threat of term papers or tests hangs over her. With the new cut system comes an implicit statement of higher academic standards and a stiffer probation system; our actions in reference to scholastic changes will be determined by our judgments; and our judgments will result from that same "homespun" horse sense.

Publishers List Ten Recent Paperbacks

Paperback volumes in every field currently are being published. Varying from reprints of popular novels and non-fiction works, to previously unpublished or specially written books, the general trend is much the same; to present the reading public with cheap, interesting, and available books published either by experts in the field or by well-known publishing houses. Many popular magazines have run stories on this new publishing field (see *Mademoiselle* for July, 1957) and others run weekly or monthly articles on what's new in this ever-increasing field.

New books—just a sample of the many hitting the bookstands which have come out this month are the following:

Shakespeare of London, Everyman, \$55.

The Great Gatsby, by F. Scott Fitzgerald, Scribners, \$1.75.

Segregation, by Robert Penn Warren, Modern Library, \$95.

The American Novel and Its Tradition, by Richard Chase, Anchor, \$95.

The OX-Box Incident, by Walter Von Tilburg Clark, Modern Library, \$95.

The Uses of the Past, H. J. Muller, Galaxy, \$1.25.

Lucy Crown, by Irwin Shaw, Signet, \$50.

Form & Function, by Horatio Greenough, University of California Press, \$1.25.

The Music Masters, Pelican, A. L. Bacharach, Vol. I & IV.

Class Productions Seek A New Title

"Benefits," the traditional Mary Washington class productions, will assume a new name with the senior class production on January 12-13. The "Benefit" committee, in cooperation with Dean Margaret Hargrave, has decided that the present term has the connotation of a U.S.O. show or a cake sale, rather than the well-planned and staged class events which students have produced in the past.

A new word or phrase which could be adapted for use as a title is presently being sought. Students are urged to put possible ideas in the S.G.A. suggestion box in Ann Carter Lee by October 18.

Letters to the Editor

Letters to the Editor are welcomed by the *Bullet* staff. Letters on any subject, campus or otherwise, should be addressed to Box 1115, College Station, and should include the sender's name and class. Letters will be published without name if desired, but the Editorial Council must know the identity of the sender.

Question: Would you make any changes in the present bookstore paperback book arrangement? This question has been asked in reference to the present *Bullet* emphasis on gaining more soft-backed volumes.

DODIE REEDER '59

How many books on the Times best-seller list have you read this month?

Perhaps the college library did not have an available copy of James Cozzen's "By Love Possessed" when you last inquired, or perhaps they did not have a copy at all.

Where then, could you obtain this popular novel which had attracted your fancy? A quick trip to the college store convinced you that your suspicion was right; you could not get it there. As you left the C-Shoppe you probably made a mental note that you should not make the trip over there again for a book unless it fell into "text-book" category.

Why, though, does not our college store provide us with classic and best selling novels?

Any store usually will stock its shelves with desired merchandise. If, we as students make it known that we would buy enough paper back volumes to make a good sized selling library worthwhile, the next time you feel like reading a best seller, you would be able to buy your "own" copy, right here on the Hill!

LIZA HARLOW '59

Since I am an English major, I have discovered in the opening weeks of school a startling inadequacy in the book store's collection of paper bound volumes. Because this selection cannot begin to supply student demands, girls at present are forced to search Fredericksburg stores or go to nearby cities for the same books that should be available on the Mary Washington campus.

If each department would submit to the book store personnel a list of books which the professors

themselves recommend, there would be a better understanding of student needs and preferences. Not only would the store make financial gain, but the new system would alleviate long reserve lists and weeks of waiting in the library. I know for a fact that a new and varied book supply would sell, and I for one would be first in line!

FRANCES ANNE KARINS '58

The existing supply of paperback books on hand in the Bookstore is too limited for the needs of the students. These books should include the textbooks used in class. The cost of required books has become a financial problem for so many due to the use of new editions every year. It becomes impossible to purchase or sell second hand books.

Although this may be far in the future, I have envisioned a student run, non-profit book store and book exchange. This would lower the cost of new books and centralize the buying and selling of old books and stabilize their cost on a fair and ethical basis. Most important, it would provide another means of student aid for those students selected to work in the Bookstore.

KAY SLAUGHTER '61

At present, the bookstore only carries a few paperback volumes of supplementary material for different courses, such as psychology, the languages, etc. A larger variety of this type of book would definitely be more beneficial to the students. As a freshman, I have learned that much extra study is needed in each subject. With a nearby supply of such books, many students' work would probably be improved greatly.

I am also sure that paperback editions of the classics and current popular novels would also sell very well on campus. In general most of us would welcome a larger supply of both of these types of paperback volumes in the bookstore.

Little Rock Crisis Upsets Nation; Unsettled Future Predicted by Ike

by AILEEN WOODS

The integration dispute in Little Rock, Arkansas vied with the new Russian earth satellite for first place in the headlines last week.

In Little Rock, National Guardsmen and Federal troops narrowly averted a major incident as they broke up a demonstration in front of Central High School. A dramatic walkout, planned to coincide with the enrollment of nine Negro students, failed to materialize as only about 40 white students left their classes. An attempt to burn a Negro in effigy was stopped by the troops.

Washington officials regard the controversy as a question of the sanctity of the courts as well as one of integration. With this in mind, President Eisenhower has maintained that the withdrawal of Federal troops would be justified only in the event of two different situations. One of these would be "unequivocal assurances" by Arkansas governor, Orval E. Faubus, that Federal court orders would not be obstructed. The other situation would occur if conditions in Little Rock became so peaceful that local police could handle any problems. According to the President, however, neither alternative is in sight.

EARTH SATELLITE

The earth satellite launched by the Soviet Union last Friday is regarded in Washington as a major propaganda as well as scientific victory for that nation. Many officials feel it represents a blow to American prestige.

Scientifically speaking, the success of this man-made moon is extremely important. Experts now have a means of solving the puzzles about the earth, sun, and space. They can learn the exact measurements of the size and shape of the earth, help forecast weather, and measure the sun's X-rays and ultraviolet light.

TEAMSTER ELECTION

In Florida, the International Brotherhood of Teamsters elected James Hoffa president of the union in spite of strong disapproval from the AFL-CIO, the Senate, and a group of rank and file members. This puts Hoffa, presently charged with "manipulating" 2 million dollars of union funds, in position as the most powerful labor boss in the country. The AFL-CIO executive council is scheduled to meet October 24 to consider suspending the Teamsters from the labor federation.

INTERNATIONAL SCENE

President Eisenhower received a note of "warm friendship" from King Saud at almost the same time as an Arabian delegate to the UN was denouncing the American attitude in the Syrian crisis.

After only three and a half months, France is again searching for a new government—its 24th in thirteen years. The latest blow to the shaky organization came as eighty conservatives joined the Communist and far-right-wing opposition blocs to vote down Premier Maurice Bourges-Maunoury's new Algerian reform laws.

Hungarian Student Speaks at Student Body Meeting Oct. 9

Miklos "Mickey" Kossa, formerly a student of the Technological University of Budapest, spoke to the student body during a meeting on Wednesday evening, October 9. At the present time, Mickey is a member of the traveling staff of the World University Service of which the national student YMCA and YWCA are affiliates.

Mickey's topic concerned the events following the Hungarian revolt in November 1956 and his part in them. After having fled to Austria Mickey made use of his knowledge of German and English by participating actively there in student relief. In the spring of 1957 he became the representative of the Union of Free Hungarian Students in Austria. Through this representation he came into close contact with the Coordinating Committee for Hungarian Student Relief and later with the WUS Field Office in Vienna.

Mickey stated that approximately 2000 persons crossed the border (from Hungary to Austria) daily and that they were given about \$1.25 per week as "pocket money". Being an eye-witness to the situation which existed in Austria, Mickey was able to acquire a real insight into the needs of the refugees and, in turn, he was able to evaluate the work of the organizations which offered aid. He also noted that about \$150,000 was raised by student organizations in the United States.

Mickey added that WUS took an active part in aiding the Hungarian student refugees in Austria and that when a contribution is made to WUS the contributor is sure of helping a student somewhere in the world.

Throughout the world WUS offers aid to student refugees; provides scholarships, medicines, and food; and contributes to the operation of an international center offering rest cures. Today the need

Former Budapest student, "Mickey" Kossa, enjoys an informal chat with Dr. Clyde Carter

for aid is greatest in Asia and there WUS has constructed Student Health Centers and TB Sanatoria; stocked libraries and laboratories; established dormitories, and provided scholarships and loan funds.

Mickey ended his talk by saying that after having seen the help which WUS gave to his fellow students he is convinced that WUS is "doing the right things".

Juniors Sponsor Roaring 20's Dance

On Friday night, October 18, the junior class will sponsor a Roaring 20's Dance in the ball room of Ann Carter Lee. All other students with dates are cordially invited to join in the gaiety of the evening, paying 50 cents per couple.

Never before has a class here had an informal dance on Friday night. A combo has been invited from a neighboring men's college, and will play the popular tunes of that period. Another novelty of this dance will be the judging of the costumes. Prizes will be

Foreign Service Officer Exam Given Dec. 9

The Department of State has announced that the annual Foreign Service Officer Examination will be given on Monday, December 9, in approximately 85 centers throughout the United States. This examination is open to all who meet the age and citizenship requirements.

A number of the successful Foreign Service officer candidates will take up duties at one of the 275 American Embassies, Legations, and Consulates around the world. At these posts, which range in size from the large missions such as Paris and London to the one-man posts such as Perth, Australia, the new officer may expect to do a variety of tasks including administrative work; political, economic, commercial, and labor reporting; consular duties, and assisting and protecting Americans and United States property abroad. Other new officers will be assigned to the Department's headquarters in Washington where they will engage in research or other substantive work or in the many administrative tasks which are essential to the day-to-day conduct of our foreign affairs.

Those successful in the one-day written examination, which tests the candidate's facility in English expression, general ability and background as well as his proficiency in a modern foreign language, will subsequently be given an oral examination by panels which will meet in regional centers throughout the United States. Those candidates who pass the oral test will then be given a physical examination and a security investigation. Upon completion of these phases the candidate will be nominated by the President as a Foreign Service officer of Class 8, Vice Consul and Secretary in the Diplomatic Service.

To be eligible to take the examination, candidates must be at

I just can't do a thing with my hair!

least 20 years of age and under 31, as of October 28, 1957 and must also be American citizens of at least 9 years standing. Although a candidate's spouse need not be a citizen on the date of the examinations, citizenship must have been obtained prior to the date of the officer's appointment.

Starting salaries for successful candidates range from \$4750 to \$5300 per year depending upon the age, experience, and family status of the individual. In addition, insurance, medical, educational and retirement benefits are granted, as well as annual and sick leaves.

Application forms may be obtained from your Placement Bureau in G. W. 312. The closing date for filing the application is October 28, 1957.

Next Bulletin deadline — Oct. 21-22. Next newspaper will be published Oct. 25.

Committee Formed To Promote More Graduate Studies

This year a sub-committee of the Committee on Superior students, composed of Dr. Eileen K. Dodd, Dr. Carol Quenzel, and Dr. Pauline King, are attempting to help students who wish to continue their education beyond college.

The committee is requesting the MWC faculty to submit the names of students who have a high scholastic average, and a sincere interest in doing advanced work. A notice about scholarships of general interest will be displayed in the bulletin board of the north hall of the library. If a student is interested in a scholarship she should consult the head of her department, faculty advisor, or a member of the committee.

To see that students have the opportunity to compete for scholarships is not the only purpose of the committee. It endeavors to see that students who possess the ability to do more advanced work have the opportunity. Many superior students who have a minimum of class hours will be given the opportunity to do work that is better suited to their ability.

The committee is attempting to make the obtaining of knowledge a challenge and a reality to deserving students.

Alumni Chapter Honors Dr. and Mrs. Simpson

The Hampton Peninsula Alumni Chapter is having a reception for Chancellor and Mrs. Simpson on October 19, at Langley Field Officers' Club. The Chapter has invited Mr. Michael Houston, Evelyn Breeden, President of Student Government and Ruth McCulloch, President of Honor Council.

Chancellor and Mrs. Simpson will also be going to Williamsburg on October 16 for the reception of Queen Elizabeth and Prince Philip. Governor Stanley is giving the reception at the Queen's Palace.

Cuts

(Continued from Page 1)

mains the same. However, permission for absence for medical reasons must come directly from the parents to the college. It should be emphasized that all excuses for absences must be submitted within three days after absence has occurred.

Other parts of the cut system as it will be presented in the 1958-59 Catalogue include the following statements: "Each absence from the last class meeting of a class immediately before or after a holiday will count as two class cuts."

Other Points

"Cut privileges do not apply to student teaching responsibility or to tests or examinations. A member of the faculty is under no obligation to give a makeup test or any special assistance to a student who has been absent unless her absence is excused. Likewise, if papers and other written work are due on a day when a student is absent without an excuse, no extension of time need be granted her."

It should be emphasized that "a student is responsible for the material covered in a course whether she is present or not. A record of all excused and unexcused absences is kept, and an excessive number of absences may result in the reduction of a student's grade. The mature and responsible student should realize that she may be missing important work and jeopardizing her class standing even if her absences are excused and that hence she should not be absent for trivial reasons."

Seniors are again reminded to pick up their Personnel Records from the College Placement Bureau, Room 312, George Washington Hall, as soon as possible. These are confidential records and must be filled out promptly.

MWC Represented By College Deans

On October 10 and 11, Miss Margaret Hargrove, Dean of Students, will represent MWC at the Fourth Annual Meeting of the American Council of Education, which will be held at the Mayflower Hotel in Washington. The theme of this year's meeting is "Articulation." Consideration will be given to the desirable relationships in the various levels and types of education, thus insuring better education for the individual student both now and in the future.

Miss Hargrove and Miss Kathryn Moran, Assistant Dean of Students, will attend a meeting of the Regional Association of Women Deans and Counselors on October 25 and 26 at George Washington University, Washington, D. C. "Deans Want To Know" will be the theme of the meeting where Dean Eunice Hilton of Syracuse University, Syracuse, New York, will be the principal speaker.

Miss Mary Ellen Stephenson, Assistant Dean of Students attended the State Meeting of the Local American Association of University Women Presidents in Charlottesville on October 5.

Town Girls Crier

by Sam Lewis and Anne Hardesty

Personally, now, we want you to know. That we're not crying or complaining with woe; We'd rather be town girls—you're darn right! Don't sweat it for us — there's no plight. Campus girls are mostly the same— But we're different — we've a name. Day students — town girls — we are "IT"! Do we mind it? Not a bit! And heavens! we've been here only a while— Classes and schedules—they tend to beguile, But the Pennant Room in Ann Carter Lee

Is our favorite, as you can see; Eatin', Drinkin', and playin' bridge— Studying? Eventually — maybe a smidge.

I mean to tell you — it's the greatest! Modern? Convenient? The very latest! We haven't met 'em all, our buddies and pals, But we know we'll love 'em, if they're MW gals.

Later there'll be the "Y" and BSU, RA, the Bullet — lots of others, too!

We'll branch out — sure we will, But as long as we're here, up on the "Hill", We'll be living in—well, two great worlds—

Our home and our college, 'cause we're town girls!

We hope you don't think that we are apart from you by our poem, because that is just the opposite of our intention. We want to be considered among your very close friends. Consequently, we shall try to keep you informed of all our activities.

The officers of the Town Girls Club are Betsy Powers, president; Leavelle Billingsley, vice-president; Nancy Prasse, treasurer; and Carol Butzner, SGA representative. Anne Roesch was elected at our first official meeting as secretary, filling a position vacated by Shirley Bradshaw.

At the same meeting Judy Townsend spoke to us about the Bullet and told us what an important part it plays in our college life.

Representing the SGA, Fran Karins said that in order to bring about a closer connection between the Town Girls Club and the college, an officer of the SGA or a council member will attend each of our meetings.

Leavelle Billingsley has been selected to portray the part of Blanche in the MWC Players' production of "Streetcar Named Desire".

During October, the BSU has planned a picnic for all Baptist town girls.

Directory Aids All College Graduates

The Advancement and Placement Institute has announced its publication of the first annual World-Wide Graduate Award Directory.

This Directory will serve as an aid to American teachers, administrators, and scientists who wish to subsidize the continuation of their masters or doctorate degrees.

The Directory accomplishes a two-fold job. First, it gives information about the field of study, the duration of the awards, the amount of the stipends, the number available, where the awards are tenable, and the specific conditions for application.

Secondly, the Directory includes new types of educational programs, such as educational internships and student deanships, as well as assistants, graduate scholarships and fellowships.

Breeden Presides Over S I A S G Committee

Evelyn Breeden, president of MWC Student Government, attended a committee meeting on October 3 through 5, of the Southern Intercollegiate Association of Student Governments, of which she is also president. The meeting was held at Converse College, Spartanburg, S. C. to make plans for an S.I.A.S.G. conference to be held April 10, 11, and 12.

S. G. A. News

A committee of the MWC Student Government is now working on a plan to have open student government meetings. The committee is also considering a mock trial to acquaint the student body with the procedures of the organization.

Twirlers Selected By Marching Band

Sharane ("Mickey") McManus, a Sophomore was selected last week as Head Majorette of the MWC Marching Band. Twirlers are Janie Riles, Rosa Huntley, and Darlene Johnston.

"Mickey", from Richfield, Minnesota, was twirler in the MWC Band last year. She is 19, and an English major. "Mickey" has been twirling since the age of seven, and has won several honors, including first place in the Lynd-Minnesota Baton Festival.

Janie, 17, hails from Fort Lauderdale, Florida. She is a language major. Janie was head majorette of her school band for 3 years and won superior ratings in State Contests.

Rosa, from Lumberton, North Carolina, is an English major. The 18-year-old has been a majorette since the 4th grade and last year was solo twirler in her school band. She also took honors in the annual Duke University Band Day Festival.

Darlene, 17, is a French major, from Belle Vernon, Pennsylvania. She was head majorette two years in high school, and represented her school in the Western Pennsylvania majorette competition.

CLUB CORNER

FINE ARTS CLUB

The Fine Arts Club held their first organization meeting of the year on Oct. 3. The meeting was conducted by Bonnie Hatch, Presi-

dent. The club plans to have a display of paintings every three weeks in DuPont Hall of the Fine Arts Center. The annual art exhibit will take place from Nov. 2-28.

On Nov. 15, the Fine Arts Club will sponsor a lecture by Hobson Pittman at 7:00 p.m. in the Dupont Little Theatre. The entire student body and the faculty is invited, especially those students interested in art. The club is now in the process of revising its constitution.

JUNIOR DANCE CLUB

The Junior Dance Club will meet at 5 p.m. every Tuesday and Thursday at Monroe Gym. It is open to everyone interested in dancing and having a good time.

SIGMA TAU CHI

Sigma Tau Chi, an organization for those majoring in economics, held its first meeting Oct. 1, but so far nothing definite has been planned.

FENCING CLUB

The Fencing Club hopes to meet at 5 p.m. every Tuesday and Thursday in Ann Carter Lee. At this moment the club has made no definite plan of organization but expects to have all their future activities planned by next week.

Included in their tentative plans for the year is a play day at Madison College and a master lesson for the entire college by the fencing group of the YMCA of Washington, D. C. They also plan to have Dr. Sinclair here at Mary Washington as a guest instructor.

About twenty-five new members have signed up, and the Fencing Club would like to welcome all of them and also all the old members. The entire club is urged to attend every meeting.

ATTENTION!

A meeting of all Honorary Societies' Presidents who have requested tappings will be held Wednesday, October 16, at 6:45 in the Inter-Club Room of Ann Carter Lee. Tapping ceremonies will be held Tuesday night, October 22, not October 24 as previously planned.

PHYSICAL THERAPY CLUB

On October 17 the Physical Therapy Club will hold its first scheduled meeting of the year. You don't have to be a physical therapy major to come. Watch for a poster about the time and place and bring your interest with you.

On Monday evening, September 30, the club held a bar-b-que at Miss Hoye's home with the purpose of acquainting the new members and the old and also to let the new members know a little about the activities of the club. After the girls had consumed the food and talked informally around the fire they went in to the house where they were entertained by Triska Burke's lovely voice and the stories of Jeanne Williams and

Transfer Students Adjust To College Life After First Month At MWC

After a month at MWC, a small group of students have become oriented to a new way of college life.

This "small group" refers to the fifty-five students who entered Mary Washington as transfer students this semester. They arrived on September 15 and soon found themselves busy with the problems of transferable credits, trying to arrange schedules that did not include Saturday classes, and learning new and different rules, patiently explained and re-explained by the handbook counselors. When it came to the Honor Code meetings, however, many of the girls having transferred from colleges where the Honor System was in effect had no questions.

Transferring to a new college has problems which are completely unique, but having adjusted to college before, it's easy to do again. The only complaints now seem to be that Mary Washington is too far away from certain men's colleges, or that the atmosphere is so strange in a women's college—this naturally coming from a one-time co-ed. However, this cry seems to come from others who have been here far longer than the transfers, so they now feel that they are as well adjusted as anyone on campus.

Transfers include: Claudine Aldrich, Vassar College; Mrs. Alta Jean Bibb, Bridgewater College; Mrs. Marilyn Brinner, Ursinus College; Patricia Burke, Notre Dame of Maryland; Regina Burton, Ohio Wesleyan University; Myrtle Butler, Mississippi State College for Women; Martha Campbell, Bridgewater College;

Also, Nancy Carruthers, Wagner College; Sieu Heing Cheng, College of Saint Rose; Mrs. Helen Cralle; Patricia Davidson, Santa Barbara College; Elsie Doughty, Columbia College; Ellen Dunne, Dunbarton College of Holy Cross;

Sally Joe Ellison, MacMurray College; Judy Evans, Wesley Junior College; Carol Faison, Westhampton College; Katherine Follmer, Denison University; Mabel Frayser, Convers College; Muriel Gardner, Averett College; Josie Garner, Radford College; Mary James Gaddy, Sullins College; Miriam Goebel, Connecticut College for Women; Nancy Hanks, University of Texas; Louise Helms, Bluefield; Lucy Hitt, Salisbury State Teachers College; Martha Hodges, Mississippi State College for Women; Pat Hundley, Bridgewater College; Judy Jones, Women's College of the University of North Carolina; Songlar Pooky Kengradomying, Mars Hill College;

Also, Mildred Long, Patricia McGhee, Averett College; Nancy McGinty, Junior College of Augusta; Jeanette Matraxia, Radford College; Mrs. Mary Mayotte, Boston College; Sharon Moffet, Lynchburg College; Patricia Moffitt, Albion College; Jeanne Morris, Lesley College; Mrs. Mae Ochener, New Jersey State Teachers College; Nancy Palm, Smith College; Della Rabb, Louisiana Polytechnic Institute; Priscilla Richardson, Randolph-Macon Woman's College; Margaret Richtmeyer, Stratford College; Gray Schaefer, William and Mary;

Also, Linda Schweickart, William Smith College; Elizabeth Shillingford, Middlebury College; Janet Spang, Ohio University; Jan Steel, Averett College; Mrs. Virginia Stevens, Pratt Institute; Arlene Thoma, Drake University; Anne Thompson, Westhampton College; Laura Vernon, Ohio Wesleyan University; Mrs. Faye Wheeler, Emory and Henry College; Barbara Wilkins, William and Mary College; Anne Wortham, Stratford College; and Harriet Zimmermann, William and Mary College.

Virginia Marston, who worked at camps for handicapped children this summer. The trips which the club took last year were also discussed. Besides having lots of fun and good food, the group found the evening interesting and informative.

LE CERCLE FRANCAIS

The officers of Le Cercle Français, Harriet Hanson, Marilyn Pardine, and Betty Williams, along with the sponsor, Mrs. Bolling, have planned several interesting programs for the coming year. Le Cercle Français and Brent Hall, the French house, have already held a reception in honor of Mrs. Blessing, new member of the French department, on Wednesday, October 9. Future plans include lectures on various phases of French art, literature, and music, plus such extras as a trip to the French embassy and the French section of the National Art Gallery. The first regular meeting will be held Thursday, October 17, in Brent at 4:00. Anyone who has completed one year of college French is welcome.

YOUNG REPUBLICANS

Young Republicans on the M.W.C. campus held their first meeting October 9, in the Faculty Lounge of Ann Carter Lee. Mrs. Nile Straughen, a representative from the Fredericksburg Republican Committee, spoke to the group on the "Value of Power Politics." Plans were made to attend the Republican Rally in Fredericksburg on Saturday, October 11. This rally will follow the campaign speeches of the Virginia gubernatorial candidates. A special bus is being provided by the town committee to take the students to and from the rally. Any student interested may contact Julie Harris for further information.

Many other projects are being

considered by the club. The possibility of holding joint meetings with Young Republican clubs of neighboring colleges such as W. & L. and U. Va. are being considered.

MIKE CLUB

The Mike Club has planned a busy schedule for the coming year. Along with their weekly shows over WEVA, they have had letters from WIEE in Richmond and the Manassas station requesting programs by the college students. They will be recording monthly forums for the Richmond station with the cooperation of the music department.

The WFVA schedule is not definite as yet, but the Mike Club expects to broadcast two or three times a week.

Any freshman interested in announcing, engineering, directing, or having her own show is welcomed in the club. Any ideas for new and different programs are eagerly desired.

ARCHAEOLOGY CLUB

There is a new club on campus! To some it is known as the "Archaeology Club," to others, the "Spade and Trowel." The germs of this club are to be traced to trips taken by Mrs. Sumner's Art and Archaeology class to Malboro Point in the spring of 1956. At that time we got our first taste of "digging." Some became so interested they determined that there should be more organized activity in this field. This dream became a reality last spring when Interclub recognized the Archaeology Club by placing it on probation for one year. At the end of this period, if the club has been successful, it will become a member of the Interclub Association.

It is fortunate that we have such an able and interested sponsor as Mrs. Sumner. In addition to

Many interesting things are happening at our neighboring schools. New faces are visible in the classrooms, building projects have been completed, and plans for clubs and organizations are being made.

At Clemson College in South Carolina, the first Foreign Student Association recently has received its charter. There are 30 foreign students enrolled at the college for the fall session. Randolph-Macon, which is located in Ashland, has a foreign student from Singapore, Larry Lau, who is preparing for the medical profession. Larry follows his two older brothers, who have studied at Randolph-Macon previously.

Alan Kemper, a freshman who is studying archaeology, is enrolled at Richmond Professional Institute in Richmond. He has been given the mummy of a 65 year old Egyptian man by the Brooklyn museum. Alan plans to keep the mummy in his dormitory room.

A Mid-Day Music Hour, which features the playing of classical music through large speakers on the lawn, has gone into operation at the University of Virginia. The music is played every Wednesday afternoon from 12:50 until 1:50, at which time few classes are in session.

The Canterbury Clubs of Randolph-Macon and the University of Richmond are organizing the Fall Conference of the Virginia Associations. This conference will be held this month at Roanoke. Randolph-Macon has taken charge of the registration and the business part of the conference, while the University of Richmond is promoting the conference's publicity.

Roanoke College, situated in Salem, has just opened the Girls' Dormitory, which houses 56 girls. The campus of Randolph-Macon boasts a new dormitory, named in memory of Dr. Thomas Madison Jones. A professor of Greek for many years at the college, Dr. Jones died unexpectedly last month.

Exciting football games and big week-ends are in store for many lucky MWC girls. The University of Virginia plays Clemson, Virginia Military Institute meets Davidson and Villanova Tech contends with Villanova in their homecoming game on October 19.

her other interests she is an archaeologist. We hope that with her help the "Spade and Trowel" will become of interest to many of you.

This year at our meeting, the first Tuesday of each month, we plan to present the techniques of excavation, and so that you will have something to look forward to, we will let it be known that we plan to do actual excavations in the Fredericksburg area next spring. We are also planning trips to places of interest relevant to our activities. Summing it up, we hope this will be a year of progress in this field on the MWC campus.

The Clothes Line

by Marie Claditis and Bobbie Baker

The school year is well on its way. Among the hustle and bustle of classes and study, we at Mary Washington College devote much of our attention to the ever-popular football weekends.

This year the trend of fashion has taken a pointed view towards the styles for sportive occasions. Many of us will be leaving the campus and heading for a weekend of football.

When we plan our weekend clothes we will want to bring a suitable outfit for a Saturday football game. Among the most favored apparel we find the tweeds. The emphasis this year has fallen upon heavy tweed suits, extremely tailored, and first to foremost in comfort.

With the tweed suits, which are more than suitable for the cold grandstands, we will find many shades to be blended either in the sweater or scarf can change your suit from tailored to dressy and vice-versa.

After the football game the main objective will point towards the celebration of a win for either team. Here many young college students will prefer to relax in Bermuda shorts and bulky sweaters.

When you plan your weekend, you may find that you are faced with the necessity of taking a suitable outfit for a Saturday night dance. Lace cocktail dresses have stepped into popularity. The complete strapless look has moved aside to make room for the Italian cut neckline. This feature is not only highly stylish but also an asset for comfort and warmth. We

YWCA Sponsors New All-Campus Vespers

The Y.W.C.A. sponsored a campus-wide vesper service at five o'clock Tuesday afternoon in G.W. auditorium. The service was dramatically danced by Glenn Geddings, who portrayed man's everlasting search for God. In the background, Damaris Middaugh, Peggy Davis, Jane Shuman, Laura Baker gave readings illustrating the various aspects of our modern world.

The service was planned and directed by Ruth Gray, chairman of the Vespers Committee of the Y.W.C.A.

no longer have to be bothered with bulky stoles while dancing.

After the dance, you will probably prefer to change into something casual. The most casual of dress again will be the Bermuda and sweater outfit.

On Sunday, you will want to be prepared with an outfit suitable for church. Many prefer a wool dress, a knitted suit or a dressy suit. Sunday afternoon is generally spent partying, touring the campus, or relaxing by the fire-side. There will probably be little need for a change of apparel. The main objective is to wear something comfortable for relaxation and travel back to school.

Everything adds up to a storehouse of fashion and light luggage. When we leave Mary Washington College and head for parts unknown, we will carry with us the surety of a weekend of pleasure and comfort.

SPORT SCOOPS

by Grace Hutchinson

Hello again! I'm back with some rip-roaring news that concerns YOU, the students. Sports for this year have started and I hope you are taking advantage of the activities planned. There are posters up and around the campus. Have you looked on the bulletin board in Ann Carter Lee? Watch for them!

Hockey is a big thing, as usual, but this year the tournaments planned with other schools are really terrific! The team is now practicing for the first BIG hockey day, October 21, when MWC plays William and Mary. Be absolutely sure that you come and see this and support your team. After all, don't we want this idea of intermural sports to grow?

Three of the Informal Instruction classes have begun—archery, bowling, and tennis. Archery is offered from 4-5 p.m. Monday through Friday on the hockey field, and tennis instructions are being given every Tuesday, Thursday, and Friday afternoon from 3:30 to 5:00. Bowling began on October 1st and will continue through October 24th. Come to the bowling alley on Tuesdays and Thursdays from 4 to 5 p.m. Everybody is invited to attend these classes, and it is not too late to come.

Well, well, what have we here? A Horse Show! How about that! It is scheduled for November 2nd and 3rd at Oak Hill Stables. Starting time is 12:30. Now for some tid-bits. Congratu-

lations to the newly-elected Terrapin Club members; it's a great group . . . tennis balls are sold in 313 Ball . . . check the Ann Carter Lee bulletin board for recreational swim hours . . . there are night hours this year . . . do feel free to contact Martha Huffman in Framar 7 for use of the cabin (above the hockey field) . . . it is terrific for parties . . . hope the freshmen enjoyed "Devil's Delight," the dance sponsored by RA on Sept. 28th . . . the on-coming cold weather could bring out some "Devil" or "Goat" spirit in you . . . store it up for the first Devil-Goat tournament!

R.A. council was very pleased to have you who signed up on various committees to work with R.A. There may be some question in your mind as to what a member of an R.A. committee does. If you have NOT signed up to play a sport you will go working with committee chairmen on the activities you have chosen.

Last note—have you noticed our suggestion box on the RA bulletin board in Ann Carter Lee? Please feel free to use it!

Swimming Schedule

The swimming pool is opened for recreational swimming at these hours:
Mon.-Wed.-Fri. 4:00-5:30
Tues.-Thurs 4:45-5:45
Sat.-Sun 4:00-5:00
Nights—(Mon.-Wed.) 7:00-8:00

Recreation Assn. Happy With Room

How very happy the Recreation Association is! The administration of MWC has offered a room for council meetings, committee meetings and, yes, parties! The YWCA and RA will have adjacent rooms on the top floor of Ann Carter Lee. The council gets more excited with each passing day, as the room is to be finished within the very near future. And get this—RA is planning to have a housewarming, so be on your toes!

Players Called As Volleyball Begins

Volleyball season is here! Do you want to have some fun? Well, sign up sheets have been posted in all dormitories and on the R. A. bulletin board at the C-Shoppe. Sign up today and support your dorm team. Whether you are a Devil or a Goat your skill and enthusiasm will be needed for the '57 victory. It has been said that this year will be the Goat's victory—what do you Devils think of that!

Practice will be announced, so keep your eyes and ears open. Teams for Round-Robin Tournament will be set up according to the assistance and interest of the participants during the practices. At the end of the season, a selection of the best players will be made to determine the Devil and Goat teams. And the Devil-Goat game will be played a few days before Thanksgiving holidays. So let's go!!

SADDLE SOAP

By Binnie Corson

The purpose of this week's column is to attempt to show the aims and activities of the MWC Cavalry. Many of you have, I am sure, seen the uniformed members of the Cavalry around campus, but I doubt that you realize that belonging to Cavalry is not merely a matter of directing traffic or raising the flag.

The major misapprehension that people seem to entertain regarding the Cavalry is that one must be able to ride in order to become a member. Despite the name of the club, it is true that the members of Cavalry seldom, if ever, ride in connection with the club activities. We realize that the name "Cavalry" is misleading; up until now, however, tradition has apparently demanded that the name remain unchanged. There are two separate and distinct units of the club, the main distinction being the difference in the uniforms; the members of the riding unit wear boots and breeches and the non-riders wear skirts and saddle shoes.

The Mary Washington College Cavalry was founded in the spring of 1942 by the Hoof Prints Club (hence the name "Cavalry") in answer to the request of the President of the college that each organization on the hill submit a definite plan for contribution to the war effort. It was originally a riding organization but was soon opened to anyone on campus.

Cavalry's first major opportunity to prove itself came in the fall of 1942 when the Rappahannock River flooded and Fredericksburg was declared a disaster area. The captain of the troop requested that they be allowed to offer assistance to town officials; the superintendent of police accepted the offer with a call for three mounted troopers to report to him at once. For three days and nights, working in shifts, the members of Cavalry patrolled and evacuated the residential section of Fredericksburg. A report of the flood tells us that the water was over four feet deep at the Betty Lewis gates. During the time of serious emergency the Cavalry members were the only people allowed on or off campus for any reason.

In recent years, Cavalry has had many activities other than military ones. After the war the organization became independent of Hoof Prints Club and began to concentrate mainly on Civil Defense and police work. There have been overnight hikes, informal horse shows, and supper rides, as well as jobs of service to the community. In 1952, Fox Movietone made a movie short, "The Cavalry in Action," which was shown in theaters and on television throughout the United States, and in our scrapbook we have pictures and writeups on the Cavalry from newspapers and magazines all over the country.

It is our hope that this year our members will again be able to learn many of the Civilian Defense skills such as radio, fingerprinting, photography, teletype, interrogation, and the use of firearms that the Cavalry girls were taught several years ago. At one time the troop was able, in case of emergency, to take over the entire police work of Fredericksburg and we hope that this will again be the case very soon. Also in connection with Civil Defense we plan to hold a Red Cross first-aid course. Another possible activity is a trip through the F.B.I. in Washington.

Aside from these tentative plans, we have quite a few regular activities during the year. Cavalry annually sponsors its own horse show, the Gymkhana, in the early spring and we assist the Hoof Prints Club in their shows with sparkling and jump crews. Two

Terrapin Choses Seven Swimmers

Seven lucky swimmers have been chosen from 33 candidates for Terrapin Club this year, according to Babs Romoser, president of the organization. Five freshmen were among those honored. They are: Robin Gilbert, Kathy Amour, Liz Teagardin, Chole Irvin and Joy Jones. Betsy Shillingford and Ethel Kelly are sophomores chosen by the group.

Tryouts were held on Tuesday, October 1, and Wednesday, October 2. Two girls were selected from the first group, the other five from the second. Terrapin Club initiation will be this week.

Hockey Club Plans For Active Season

The Mary Washington Hockey Club has invited the William and Mary Hockey team for a match game on Monday afternoon, October 21, at 4:00 p.m. On the following Saturday, October 26, the hockey club will be hosts to the Richmond Hockey Club. November 1st and 2nd are the dates for the "Tidewater" Tournament at Westhampton. These matches are the first to be played with an outside school, so to you who enjoy your sports from the sidelines, come and watch these matches. And to you who are not familiar with this popular fall sport, here is your chance to see some first-rate hockey!

Hockey Schedule

The hockey schedule for this fall is as follows:
Oct. 21—William and Mary, Here 4:00 P.M.
Oct. 26—Richmond Club, Here 4:00 P.M.
Nov. 1 & 2—Tidewater Town — Westhampton—4 P.M.
Nov. 4—Welsh Touring Team — Westhampton—4:00 P.M.
Nov. 16 & 17—Southeast Tournament.
Nov. 23—National Tournament — Vassar.

overnight hikes are held, one in the fall and one at the end of school, when we pack up our bedrolls, leave our dignity behind, and have a wonderful time camping out for a night—fishing, swimming, roasting marshmallows, and singing around the campfire. Add to all this our two big parties of the year, our frequent Saturday-night suppers at the stables (to which everyone is welcome), and our sense of accomplishing a definite purpose in our activities, and you have an organization which is not only worthwhile but a great deal of fun.

I trust that all of you now have a somewhat clearer picture of the MWC Cavalry than you had before. I especially hope that you now realize that it is not necessary to ride in order to join Cavalry and participate in all our activities.

Devil-Goat Point System

For each Devil-Goat game during the year, the winning team (Devil or Goat) will receive 1 point towards the year's competition in basketball, volleyball, softball, and hockey. In the spring, Devil-Goat Day will be held, at which time final competitive events will take place. One point will be given to the winning team of each event. The points will then be tallied and the 1957-58 Devil-Goat winner will be announced.

Last year's score turned out to be a victory for the Devils! Who will the winner be this year?

Institute Will Aid European Studies

The Institute of European Studies is an effort to introduce the old of Europe and the new of the United States through academic study and observation.

During the first four short years that IES has been in existence about 400 United States students from 100 colleges and universities have participated in the program. Each has studied at the University of Vienna, traveled through virtually all of the western European nations and lived in the homes of Austrian families.

The IES curriculum is divided into two semesters that coincide with those of the University of Vienna, to which it is attached and which supervises the program. Students usually enroll for one academic year, but can enroll for one semester only.

At the beginning of the academic year students arrive from the United States early enough to take a three week tour of Western Europe under the supervision of IES.

In the Easter recess students spend three weeks in Italy and at the end of the academic year their stay with IES is concluded with nearly four weeks in Spain.

The year at IES costs \$1780, which includes all travel, including the boat trip from and to the United States, tuition at the University of Vienna, and room and board for the entire year. IES is a non-profit, non-denominational organization.

Applicants are screened primarily for academic standing. IES looks for the top students who can make a strong record when taking one of the 25 English-taught courses offered. Academic credits are transferred to the student's college and university in the United States.

Both the Chicago office of IES and its center were opened officially in fall 1953. The program was started after a two year experimental stage by its Vienna director, Paul Koutury, a young former Young Christian Students leader who, on a United States state department fellowship for Austrians, was graduated from St. Thomas College, St. Paul, Minnesota.

Today IES has expanded its program to take in special summer study-travel tours for American colleges and universities.

Mortar Board Council Representative Visits

A representative from the National Mortar Board Council, Mrs. John C. Lang, will be a visitor to the campus on October 17-18. For several years Cap and Gown Society has applied for affiliation with Mortar Board, a national honorary organization. Mrs. Lang's visit will be one more step toward this goal.

Ten Easy Ways To Befriend A Prof

1. Bring the professor newspaper clippings dealing with his subject. If you don't find clippings dealing with his subject, bring in clippings at random. He thinks everything deals with his subject.
2. Look alert. Take notes eagerly. If you look at your watch, don't stare at it unbelievably and shake it.
3. Nod frequently and murmur "How true!" To you, this seems exaggerated. To him, it's quite objective.
4. Sit in front, near him. (Applies only if you intend to stay awake.)
5. Laugh at his jokes. You can tell. If he looks up from his notes and smiles expectantly, he has told a joke.
6. Ask for outside reading. You

don't have to read it. Just ask.

7. If you must sleep, arrange to be called at the end of the hour. It creates an unfavorable impression if the rest of the class has left and you sit there alone, dozing.

8. Be sure the book you read during the lecture looks like a book from the course. If you do math in psych class and vice versa, match the books for size and color.

9. Ask any questions you think he can answer. Conversely, avoid announcing that you have found the answer to a question he could not answer, and in your brother's second grade reader at that.

10. Call attention to his writings. Produces an exquisitely pleasant sensation connected with you. If you know he's written a book or an article, ask in class if he wrote it.

Marshall Scholars Make Applications

U. S. College students can now apply for next year's Marshall Scholarship awards enabling them to study at a British University for two years. Applications must be in by October 31, 1957.

The Marshall Scholarship idea was started in 1953 as a token of Britain's thanks for Marshall Aid.

Twelve scholarships are awarded every year. Any American student of either sex, married or single, may apply, but they must be under 28 on October 1, 1958 and have graduated from an American university.

Each award is worth \$500 (\$1,540) a year. Passage is paid to and from the United Kingdom. Married men get an extra allowance.

Successful candidates are chosen for their character as well as scholastic attainments.

At the Embassy the names are re-examined by a 7-member Advisory Council headed by the British Ambassador. Twelve names are selected — three from each Region — and sent to the United Kingdom for review and approval by a commission of leading British educators and businessmen set up to administer the Trust. Lord Coleraine is chairman of the commission.

Names of the winners are announced in Washington each April for the following October.

So far 48 Americans have benefited from the scheme.

All the Marshall scholars who took their final degree examinations this summer have been successful and some of them have done especially well.

to all present. Emy Villaneuva, club president, wishes to extend special thanks to the senior P.E. majors for the help they gave in planning the party.

All persons who are interested are welcome to join the Physical Education Majors Club; you do not have to be a P.E. major. Join now and take part in the activities for the coming year which were planned at the club meeting held Wednesday, October 9.

Dr. Michael Erdeyli of the psychology department was taken ill last week. He is presently in the Mary Washington Hospital in Fredericksburg.
